This screenshot shows a Confluence page titled "Shipment Creation & Booking". The left sidebar is for the "Carrier Services Team" space. The main content area has a "Description" section with the text "Create and confirm shipments with carriers.". Below it are sections for "Child work items" and "Linked work items". A "Confluence content" section includes a "Project plan" button. On the right, there's a "To Do" list with fields for "Assignee" (set to "Unassigned"), "Labels" (set to "None"), and other project details like "Team" (set to "None"). At the bottom, there are buttons for "Create branch" and "Create commit". A sidebar message encourages users to work in Confluence.

This screenshot shows a Jira page titled "Shipment Tracking & Visibility". The left sidebar is for the "Carrier Services Team" space. The main content area has a "Description" section with the text "Provide real-time shipment status and tracking.". Below it are sections for "Child work items" and "Linked work items". An "Activity" section includes tabs for "All", "Comments", "History", and "Work log". A comment input field at the bottom allows users to add comments with various reaction icons. On the right, there's a "To Do" list with fields for "Assignee" (set to "Unassigned"), "Labels" (set to "None"), and other project details like "Team" (set to "None"). At the bottom, there are buttons for "Create branch" and "Create commit". A sidebar message encourages users to work in Jira.
